Reports

Monthly Financial Report ending October 31, 2024

Mayor Flynn highlighted the report ending Oct. 31, 2024. The Operating Revenue was up 2.1%, City Sales Tax was up 7.3%, and County Sales Tax was up .8% compared to last year. Operating Expenses are \$1.1 million below budget. He said the financials continue to be good, but a bit more of a challenge on the revenue side than in the past few years.

Council Member Recognition Mayor Flynn announced that three members were serving their last meeting on City Council, and he would address them in alphabetical order. Council Member Doug Fowler was on Council for 8

years, he was Mayor Pro Tem for 6 years, and he was on the A&P Commission for 7 years. Council Member Jerry Snow was on City Council from 2012-2014, and more recently he was on for a full term from 2020-2024. He was also appointed at one time to the Quorum Court for 2 years. One cannot run for re-election under state law, because appointment is by the Governor. Council Member Jim Wozniak is a record setter. He has been on City Council for 14 years, and prior to that he was the first Chief of Police in Bella Vista. Before that, he was with the Bella Vista Division of Sheriff's Department. He also served 8 years on the Quorum Court. Mayor Flynn thanked them for their efforts on behalf of the City, and presented each of them with a letter of recognition.

Council Member Hughes said it was an honor to serve alongside each of them these past two years. She recounted their common traits: a resolve to do what they considered best, even if it was not the easy or popular choice. They were willing to ask hard questions, demand answers, and keep asking questions until they were satisfied. She thanked them for their service and said Bella Vista is better because of them.

Council Member Wozniak thanked the residents for the opportunity to serve on the Council for the past 14 years. Added to that, his 39 years of public service bring him to a total of 53 years. He noted that he has been in public service his whole life, and it has been worth it. He advised the newer members to remember that no matter how strongly they feel about an issue, there are other residents who feel differently. It is important to listen to both sides equally.

Council Member Honchell thanked all three Council Members for their service and addressed each Council Member individually, citing examples from the past two years. He noted as a new Council Member, he tried to model the way Council Member Fowler prepared for meetings.

Council Member Wilms thanked Council Member Fowler for his service on the Council. Despite their disagreements, Council Member Fowler represented the core of the community, not the outliers, in the majority of the decisions he took and the actions he led. He thanked Council Member Fowler for his service as Mayor Pro Tem, and also his important work on the A&P Commission to bring organization and structure that has benefited the community. He thanked Council Member Wozniak for his long-term service, and said it has been an honor to serve with him, despite their disagreements. He thanked Council Member Snow once again, noting his two separate terms of service. He thanked him for representing the residents in Ward 1 well.

Council Member Fowler recognized his wife, Rose Fowler, who was in the audience. He said he could not have fulfilled his Council role without her, noting how patient she was with his time spent on phone calls and meeting with people. He pointed to his father who had played a big role in his life,

and how he passed away on Dec. 18, 1974, when Doug was a senior in high school. He said at the beginning of his first term, he made a commitment to this community that he would give everything he had, and that is just what he has done. He advised the new members to do their research, do their homework, land on their decision, and let the social media go. He thanked the community of Bella Vista for putting their trust in him.

Council Member Snow thanked the residents of Bella Vista for the opportunity to serve on the Council for these years. He found it enjoyable and was happy to do what he could to help the people of our community. He ended his brief remarks with "thanks for the memories."

Mayor Flynn made an announcement that the City of Bella Vista has been honored as a Trendsetter City for 2024 for the innovation of the Street Department in using the "asphalt zipper" to be more efficient in resurfacing roads. The honor is from the Arkansas Times and there will be an award given at the Arkansas Municipal League Winter Conference in January 2025. This is the third time Bella Vista has been named a trendsetter city.

(The Chair will entertain a motion to suspend the rules of order and procedure to allow all ordinances on the agenda to be read by title only.) Council Member Fowler made a motion to approve, seconded by Council Member Wilms. **Roll Call Vote: (Yays: 6/Nays: 0) Passed 6-0.**

ORDINANCE: AUTHORIZING PARTICIPATION OF THE CITY OF BELLA VISTA IN BENEFIT PROGRAM 4 OF THE ARKANSAS LOCAL POLICE AND FIRE RETIREMENT SYSTEM (LOPFI) FOR ELIGIBLE EMPLOYEES WHO ARE FIREFIGHTERS OR POLICE OFFICERS

*Mayor Flynn read the ordinance for the first time. Staff Attorney Kelley explained the Council adopted this LOPFI issue in the form of a resolution last month. When the paperwork was submitted in Little Rock, LOPFI insisted it be adopted by ordinance, not resolution. For the sake of efficiency, he recommended adopting this ordinance tonight. Council Member Fowler made a motion to suspend the rules and go to third and final reading, seconded by Council Member Wozniak. Council Member Snow made a motion to approve, seconded by Council Member Wozniak. **Roll Call Vote: (Yays: 6/Nays: 0) Passed 6-0.***

RESOLUTION: ADOPTING A CITY BUDGET FOR THE CITY OF BELLA VISTA FOR THE CALENDAR YEAR 2025, APPROPRIATING MONEY FOR EACH ITEM OF EXPENDITURE AND FOR OTHER PURPOSES *Mayor Flynn read the resolution. He added that it had been discussed by the Council at a Special Work Session in early December. Council Member Wilms noted that proposed capital expenditures may be a challenge to implement in 2025-2027. Member Fowler made a motion to approve, seconded by Council Member Wilms.*

Roll Call Vote: (Yays: 6/Nays: 0) Passed 6-0.

RESOLUTION: APPROVING THE APPOINTMENT OF MAYOR JOHN FLYNN TO SERVE AS A CITY GOVERNING BODY MEMBER OF THE BELLA VISTA ADVERTISING AND PROMOTION COMMISSION EFFECTIVE JANUARY 1, 2025, REPLACING DOUG FOWLER *Mayor Flynn read the resolution for the first time. Council Member Snow stated he does not support the resolution because the Mayor oversees all City departments and 200 employees. He thinks a new Council Member would be best to fill the opening. Council Member Fowler shared his experience of being one of the first members of the A & P Commission. He spoke of the talent and dedication of those who work on it, and the success of the Commission in promoting Bella Vista. He believes it would be best initially, with the recent turnover in Council Members, for the Mayor to be appointed to provide stability to the Commission. Council Member Wozniak made a motion to approve, seconded by Council Member Fowler. Roll Call Vote: (Yays: 5/Nays:1, Snow) Passed: 5-1.*

RESOLUTION: APPROVING THE MAYOR'S REAPPOINTMENTS OF BARBARA KNOTTS, SUSAN SANTOS, AND SALLY BENSON TO THE CITY OF BELLA VISTA PUBLIC LIBRARY ADVISORY BOARD FOR TERMS ENDING DECEMBER 31, 2028 *Mayor Flynn read the resolution. Council Member Fowler made a motion to approve, seconded by Council Member Fowler. Roll Call Vote: (Yays: 6/Nays: 0) Passed: 6-0.*

RESOLUTION: ESTABLISHING RESIDENTIAL AND COMMERCIAL RATES FOR SOLID WASTE (TRASH) COLLECTION IN THE CITY *Mayor Flynn read the resolution. Council Member Wilms made a motion to approve, seconded by Council Member Fowler. Roll Call Vote: (Yays: 6/Nays: 0) Passed: 6-0.*

RESOLUTION: AUTHORIZING THE MAYOR AND CITY CLERK TO ENTER INTO A ELEVENTH AMENDED ANIMAL SERVICES CONTRACT FOR ANIMAL SHELTERING SERVICES WITH BELLA VISTA ANIMAL SHELTER, INC. *Mayor Flynn read the resolution. Council Member Wilms made a motion to approve, seconded by Council Member Fowler. Roll Call Vote: (Yays: 6/Nays: 0) Passed 6-0.*

The Compliance Division went live in December of 2024. Since its activity started last month, our Development Compliance officer has responded to over 1500 complaints regarding development. 52 of those have already been closed out for compliance.

ORDINANCE: WAIVING THE REQUIREMENTS OF FORMAL COMPETITIVE BIDDING AND AUTHORIZING A CONTRACT WITH SUPERIOR AUTOMOTIVE GROUP IN AN AMOUNT NOT TO EXCEED \$247,640.00 FOR THE PURCHASE OF FOUR (4) 2024 DODGE DURANGO POLICE PURSUIT VEHICLES FOR USE BY THE POLICE DEPARTMENT

BACKGROUND

Due to vehicle mileage and age the purchase of four new Pursuit Rated Dodge Durango, AWD, patrol vehicles is required. Superior Automotive has four new 2024 models available at the 2024 state vehicle bid price. Purchasing these 2024 models under a vehicle bid waiver would be less expensive then purchasing 2025 models at the current Arkansas vehicle bid price. Additionally, these 2024 models are immediately available for purchase and delivery.

Superior Automotive includes all police equipment up-fit in the sales price for a total sales price, per vehicle, of \$61,910.

RECOMMENDATION

Police Chief recommends police vehicle bid waiver approval.

FISCAL IMPACT

These vehicle purchases have been included in the police departments 2025 capital budget.

Each fully equipped police pursuit Dodge Durango cost \$61,910 for a total capital expenditure request, for four vehicles, not to exceed \$247,640.

WHEREAS, general shortages of available police cars make purchase pursuant to the state procurement contract impossible or impractical; and

WHEREAS, competitive bidding for 2024 vehicles will not result in any further ability to purchase said vehicles; and

WHEREAS, four (4) 2024 Dodge Durango police pursuit vehicles are available for purchase from Superior Auto Group, but said vehicles are not subject to current state procurement contracts and cannot be obtained if the City proceeds through a bidding process; and

WHEREAS, the City must act with haste if it is to secure purchase of said vehicles;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BELLA VISTA, ARKANSAS:

SECTION 1. The City Council of the City of Bella Vista, Arkansas hereby determines that the above circumstances make formal competitive bidding not feasible or practical and therefore waives the requirement of formal competitive bidding and authorizes a contract with Superior Auto Group in an amount not to exceed \$247,640.00 for the purchase of four (4) 2024 Dodge Durango fully equipped police pursuit vehicles for use by the Police Department.

BACKGROUND

Due to vehicle mileage and age the purchase of a new AWD Chevrolet Traverse is needed. The Chevrolet Traverse has not been included on the last two state bid waivers. This vehicle will be used in CID as a detective vehicle. This model vehicle has been used in the past and is a recognized and dependable platform for CID type work.

Superior Automotive has a new 2024 model Chevrolet Traverse available for purchase at a price far better than the current open market. Additionally, Superior Automotive will deliver the vehicle with all required police equipment installed. Having Superior Automotive deliver the vehicle with police equipment installed saves additional money.

A vehicle purchase bid waiver is being requested for the purchase of the aforementioned vehicle.

RECOMMENDATION

Police Chief recommends approval of vehicle purchase bid waiver.

Currently there is no charge that goes with the BCA application. It is a very involved application and it does not make sense to have all tax payers cover staff time for those who are seeking to break local law or building code. The applicant should be responsible for that expense.

AGENDA ITEM # V.I

RESOLUTION: AUTHORIZING THE MAYOR AND CITY CLERK TO ENTER INTO A FOURTH AMENDED TRAIL MAINTENANCE AGREEMENT WITH BELLA VISTA VILLAGE PROPERTY OWNERS ASSOCIATION, INC.

BACKGROUND

Due to an expected continued decrease in *private* volunteer programming, the City and POA have prepared for a possible increase in soft surface trail maintenance costs for 2025. Both entities have budgeted \$90,000 each in their trail maintenance budgets. City Council approved this budgeted item at the December meeting while approving the City Budget. However, the maintenance agreement now needs updated to reflect the budget. The current maintenance agreement notes a limit of 70,000 for each party (\$140,000 total). The attached agreement shows an update to \$90,000 for each party (\$180,000 total).

It is vital that trail maintenance continues at an acceptable rate and performance to promote public safety for residents and visitors who explore one of our greatest assets in Bella Vista, our trail system. Additionally, a continued partnership with the POA is integral to our unique set up in Bella Vista to best serve our residents.

RECOMMENDATION

Staff recommends approval of this request.

FISCAL IMPACT

None. It's already in the 2025 Budget.

2024 AMENDED TRAILS MAINTENANCE AGREEMENT

This TRAILS MAINTENANCE AGREEMENT executed this _____ day of _____, 20_____, hereinafter called the “Agreement” between the City of Bella Vista, Arkansas, a municipal corporation, hereinafter called the “City” and Bella Vista Village Property Owners Association, Inc., hereinafter called the “POA”, collectively hereinafter called the “parties”:

WITNESSETH:

IN CONSIDERATION of mutual promises of the parties contained herein and other good and valuable consideration, the parties agree as follows:

1. The City and the POA hereby agree to provide a maximum of \$90,000.00 each year (\$180,000.00 total per year) for the duration of this Agreement toward expenses related to the maintenance and upkeep of a trail system in Bella Vista, the initial construction of which is being funded by a grant to the NWA Trailblazers. The trail system will be constructed on property owned by the POA and Cooper Communities, Inc., with the POA granting a license via a separate written and recorded license agreement to the City permitting access to POA-owned property and its use for the general public as guests of the POA. It is the intent of the parties to provide the general public with access to the trail system. If the POA, at any time during the term of this Agreement, restricts access to the trail system, the City may elect to terminate this Agreement with no further financial obligation. The trail system will be established in general accord with the master trail plan adopted by the City in 2015.
2. Maintenance and upkeep expenses, up to the maximum amount provided herein, shall be shared on a fifty percent-fifty percent basis between the City and the POA for the entirety of the trail system in the City. The POA shall handle maintenance requests and procure maintenance services. Including maintenance expenses incurred as a result of services provided by a third party, the POA will invoice the City a fifty percent share of the incurred maintenance expense within thirty (30) days of the date said expense is incurred, with said invoice being due and payable to the POA within thirty days of City receipt. Maintenance services provided by the POA by its own employees and/or equipment shall be billed to the City on a fifty percent basis pursuant to a fee schedule which is attached to this Agreement as Exhibit “A” and incorporated herein as if set out word for word.
3. The City shall provide a mechanism whereby public reports of the need for trail maintenance shall be handled and forwarded to the POA or the POA’s third-party maintenance contractor for repairs to be made.

4. In the circumstance where disaster relief funding through either the Federal Emergency Management Agency (FEMA) or another appropriate federal or state agency becomes available to the City for the repair or maintenance of the trail system needed as a result of a natural or other disaster, said funding shall be used for said repairs and not offset by a fifty percent reimbursement by the POA to the City. If funding provided to the City is not sufficient to cover all costs related to any such disaster, any additional costs incurred by the POA shall be invoiced to the City as provided for herein.
5. This Agreement shall be interpreted according to and enforced under the laws of the State of Arkansas. The jurisdiction and venue of any legal dispute arising under the terms of this Agreement shall be the Circuit Court of Benton County, Arkansas.
6. This Agreement contains the entire agreement of both parties hereto, and no other oral or written agreement shall be binding on the parties hereto. This Agreement supersedes all prior agreements, contracts and understandings of any kind between the parties relating to the subject matter hereof.
7. This Agreement may be executed in all or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
8. This Agreement may be modified only by a duly executed written instrument signed by the authorized representatives of the City and the POA.
9. Nothing in this Agreement shall be construed to give any rights or benefits to anyone other than the POA and the City.
10. A waiver by either party of any of the terms or conditions herein shall be limited to that particular instance and shall not be construed as a general waiver of any other remedies available for breaches by either party.
11. Obligations provided by this Agreement shall become effective upon the public opening of trails constructed via funding to the NWA Trailblazers. This Agreement shall be and remain in effect until such time as the POA grant of a license for the trail system to the City terminates.

IN WITNESS WHEREOF, the City and the POA have executed this Trails Maintenance Agreement on or as of the date first written above.

TERMS AND CONDITIONS

This Sales Agreement ("Agreement"), including these Terms and Conditions, constitutes a contract for the sale and purchase of the Equipment and other goods and related services set forth on the front of this Agreement (collectively referred to as the "Equipment"), between Buyer and Seller. This Agreement is binding upon Buyer's successors and permitted assigns. Any and all additional or different terms or conditions set forth in a purchase order or other communication in any form from Buyer are objected to by Seller and shall not be effective or binding unless specifically accepted in writing by an authorized representative of Seller.

1. SELLER NOT AGENT OF MANUFACTURER: It is understood that there is no relationship of principal and agent between the Seller and the manufacturer and that Seller is not authorized to act, or attempt to act, or represent itself as agent of the manufacturer, or in any manner assume or create, or attempt to assume or create, any obligation on behalf of or in the name of the manufacturer.

2. LIMITED WARRANTY; DISCLAIMER OF WARRANTY:

(a) FOR NEW EQUIPMENT, THE ONLY EXPRESS WARRANTY EXTENDED TO BUYER IS THAT OF THE MANUFACTURER, IF ANY.

(b) FOR USED EQUIPMENT, THE ONLY EXPRESS WARRANTY EXTENDED TO BUYER IS THE REMAINING TERM OF ANY APPLICABLE MANUFACTURER WARRANTY TO THE EXTENT SUCH WARRANTY IS EXPRESSLY TRANSFERRED FROM SELLER TO BUYER BY A SEPARATE WRITTEN AGREEMENT. IF NO MANUFACTURER WARRANTY IS TRANSFERRED AND NO EXTENDED WARRANTY PLAN NOTED IN (d) BELOW IS PURCHASED BY BUYER, THEN BUYER ACKNOWLEDGES THAT IT HAS INSPECTED THE EQUIPMENT AND THAT IT IS BUYING THE EQUIPMENT "AS IS" AND "WITH ALL FAULTS".

(c) FOR NEW AND USED EQUIPMENT, SELLER MAY OFFER BUYER AN EXTENDED WARRANTY PLAN OFFERED BY A THIRD PARTY VENDOR. IF SUCH A PLAN IS PURCHASED BY BUYER, THEN BUYER SHALL HAVE AN EXPRESS WARRANTY FROM SUCH THIRD PARTY VENDOR. SELLER IS NOT A PARTY TO SUCH PLAN.

(d) Buyer acknowledges that the Equipment is of the size, design, capacity and manufacture selected by Buyer. Buyer represents that it has relied upon its own skill and judgment in selecting the Equipment for use with its designated purposes. BUYER HEREBY ACKNOWLEDGES THAT SELLER MAKES NO EXPRESS WARRANTY WITH RESPECT TO THE EQUIPMENT AND THAT NEITHER SELLER NOR ANYONE ACTING ON ITS BEHALF HAS MADE ANY AFFIRMATION OF FACT, REPRESENTATION OR PROMISE RELATING TO THE EQUIPMENT THAT HAS BECOME A BASIS OF THIS TRANSACTION OR WHICH CREATES AN EXPRESS OR IMPLIED WARRANTY. TO THE FULLEST EXTENT PERMITTED BY LAW, SELLER DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, AND THOSE ARISING OUT OF COURSE OF PERFORMANCE OR DEALING OR USAGE OF TRADE OR ANY OTHER IMPLIED WARRANTY WITH RESPECT TO THE EQUIPMENT.

(e) Buyer's acceptance (or deemed acceptance) of any Equipment shall conclusively establish that such Equipment has been inspected by Buyer and is in the condition required by this Agreement. Except as set forth specifically in this Section, all Equipment is sold to and accepted by Buyer "AS IS" and "WITH ALL FAULTS". Buyer acknowledges and agrees that Seller has not in any manner adopted the manufacturer's warranty as a warranty of Seller, and Buyer acknowledges and agrees that Buyer shall look solely to the manufacturer to perform or satisfy any obligation under the manufacturer's warranty. As between Buyer and Seller, Buyer assumes the entire risk as to the quality and performance of any of the Equipment. As between Buyer and Seller, Buyer assumes the entire cost of service, maintenance, repair and loss with respect to any Equipment found to be defective.

(f) The manufacturer or other extended warranty purchased by Buyer, as applicable, sets forth Buyer's sole and exclusive remedy in the event of a defect in workmanship or materials to the Equipment and shall not be deemed to have failed their respective essential purpose so long as manufacturer or other third-party warranty provider is willing and able to carry out the terms of the exclusive warranty for the Equipment. Nevertheless, should Seller be found to have created any express or implied warranties hereunder despite its express and unequivocal disclaimer of such warranties, they shall be limited to the duration of the manufacturer's express warranty, and the exclusive remedy for breach of warranty shall be repair of the goods or replacement of defective parts. It is expressly understood that should Seller perform any repairs or other work under any manufacturer's express or written warranty, such repairs or work are performed only pursuant to Seller's contractual obligations to said manufacturer, and are not to be construed as separate obligations to Buyer. Any obligation that Seller may have to perform repairs under any manufacturer's written warranty shall cease immediately upon the termination of Seller's contractual obligations to the manufacturer for such repairs.

3. LIMITATION OF LIABILITY: SELLER WILL NOT BE LIABLE TO BUYER OR ANY OTHER PARTY FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE OR OTHER INDIRECT DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOST USE, LOST PROFITS, LOST SAVINGS OR OTHER COMMERCIAL OR ECONOMIC LOSS, EVEN IF SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR THEY ARE FORESEEABLE, OR FOR CLAIMS MADE BY A THIRD PARTY. NOTWITHSTANDING THE FACT THAT SELLER PROVIDES NO WARRANTY FOR THE EQUIPMENT, IN NO EVENT SHALL SELLER'S TOTAL AGGREGATE LIABILITY TO BUYER OR ANY OTHER PARTY RELATING TO OR RESULTING FROM THE SALE OF ANY ITEM OF EQUIPMENT EXCEED THE PURCHASE PRICE PAID FOR SUCH ITEM OF EQUIPMENT GIVING RISE TO THE CLAIM OR CAUSE OF ACTION. THESE LIMITATIONS APPLY WHETHER THE LIABILITY IS BASED ON CONTRACT, TORT, STRICT LIABILITY OR ANY OTHER THEORY AND WHETHER THE ALLEGED BREACH OR DEFAULT IS A BREACH OF A FUNDAMENTAL CONDITION OR TERM, OR A FUNDAMENTAL BREACH. THESE LIMITATIONS APPLY TO THE FULLEST EXTENT PERMITTED BY LAW.

4. DELIVERY AND ACCEPTANCE: Seller shall endeavor to deliver the Equipment to Buyer on the delivery date agreed upon by Seller, provided, however, Seller shall have no liability for failure or delay in delivering the Equipment to Buyer. Without limiting the generality of the prior sentence, Seller shall not be liable for failure or delay in delivery where such failure or delay is due, in whole or in part, to any cause other than the gross negligence of Seller. Further, Seller will not have any liability for any breach caused by extreme weather or other act of God, strike or other labor shortage or disturbance, material shortage, fire, accident or other casualty, war, terrorist act or civil disturbance, delay of transportation, failure of normal sources of supply, act of government or any other cause beyond the reasonable control of Seller. Buyer shall bear all risk of loss with respect to each item of Equipment once Buyer takes possession. Buyer agrees to inspect the Equipment immediately upon its delivery, and unless Buyer notifies Seller that Equipment is not in good working order within ten (10) days of delivery, Buyer is deemed to accept the Equipment "AS IS".

5. LOADING AND TRANSPORTATION CHARGES: Loading and unloading of the Equipment by Buyer at Seller's facility shall be supervised and directed by Buyer, who assumes all responsibility therefor. If Buyer requests Seller to deliver the Equipment or pick up any Trade-In Equipment, Buyer agrees to pay Seller its transportation charges for delivery and pick up.

6. PAYMENT: Buyer shall pay to Seller the Price for the Equipment and any related costs and services in accordance with the provisions on the front of this Agreement. If Buyer fails to fully pay any amount when

due under this Agreement, interest shall accrue on the outstanding balance due at a rate equal to the lesser of one and one-half percent (1½%) per month or the highest rate allowed by law. Said interest shall be deemed a part of the Price and not in lieu of any other remedies provided for herein.

7. NO CANCELLATIONS: Buyer acknowledges that this Agreement may not be cancelled by Buyer without the prior written approval of Seller for each item of Equipment. Accordingly, Buyer's failure to accept delivery or refusal to pick up the Equipment (depending upon the form of delivery) is a default under this Agreement. Upon the occurrence of such a default and the continuation of such default for five (5) days following notice from Seller to Buyer of such default, then, in addition to the interest stated in paragraph 6 above, Seller shall be entitled to all remedies provided by law which accrue as a result of said breach, including, but not limited to, any and all of the remedies available to Seller pursuant to the Uniform Commercial Code. Further, Seller may retain all or such portion of any deposit that it deems necessary to offset the damage incurred by Seller as a result of Buyer's breach and may apply the deposit as it deems fit.

8. TRADE-IN EQUIPMENT: If a portion of the Price will be payable by delivery from Buyer to Seller of an item of Trade-In Equipment noted on the front of this Agreement, Buyer acknowledges that the trade allowance noted is based upon the facts available to Seller at the time the Sales Agreement is signed. If the Trade-in Equipment is not to be delivered to Seller until delivery of the Equipment purchased hereunder, then Seller will be provided the opportunity to inspect and reappraise the trade allowance amount at the time of delivery. If the trade allowance assessed by Seller at delivery is lower than the original amount, the deficit amount will be paid by Buyer in cash or by financing as noted on the front of this Agreement. If there is any remaining term on a manufacturer's warranty (or any other express warranty) for the Trade-In Equipment, Buyer agrees to sign any forms requested by Seller in order to transfer such warranty to Seller. Buyer represents and warrants to Seller that it has the authority to transfer the Trade-In Equipment to Seller, free and clear of all liens, encumbrances or other restrictions.

9. SECURITY INTEREST: To secure Buyer's obligations to pay for the Equipment and all other amounts due or to become due under this Agreement, Buyer hereby grants Seller a purchase-money security interest in the Equipment, all parts, accessories, attachments, replacements and additions related to the Equipment, and all proceeds of any of the foregoing, including, but not limited to, money, checks, deposit accounts and all other cash proceeds and non-cash proceeds and any insurance proceeds payable to Buyer by reason of loss or damage to any of the foregoing property. If Buyer fails to timely make any payments owed under this Agreement or commits any other default, all amounts owed under this Agreement will become immediately due and payable, and Seller may proceed to foreclose on the security interest granted herein and may exercise any and all remedies available to it under the Uniform Commercial Code or other applicable law.

10. TAXES AND FEES: Buyer shall pay all applicable sales, consumer, use and similar taxes for the purchase of the Equipment. To the extent Seller is required or deemed responsible for any such taxes, Buyer shall reimburse Seller immediately upon demand for any taxes paid or incurred by, or assessed against, Seller, including any related penalties or interest. Buyer shall be solely responsible for the cost and fees for all licenses, registrations and titles associated with the Equipment.

11. LIMITATION ON CLAIMS; NOTICES: It shall be a condition precedent to any liability of Seller, whether in contract, tort, or otherwise, arising out of this Agreement or any other dealings between the parties that Buyer provide written notice to Seller of any claim, controversy, or alleged breach of this Agreement within (30) days of the event or occurrence giving rise to such claim controversy or alleged breach and that Buyer provide Seller with a reasonable opportunity to cure the problems or issues. Notwithstanding the foregoing, Buyer must provide Seller with notice of any claim, controversy, or alleged breach of this Agreement and file any cause of action related to same within twelve (12) months of discovery or accrual of the same, whichever occurs first. It is understood and agreed by the parties that the foregoing provision is both a condition precedent to the right to take such action, and a contractual modification to the statute of limitations for all actions, whether in contract, tort or otherwise, and failure to comply with this condition precedent and contractual statute of limitations shall be an absolute bar to recovery for any problems, issues, rights, claims or causes of action not specifically pled within the twelve (12) month period. Whenever this Agreement requires that notice be provided to the other party, notice shall be deemed to have been validly given (i) if delivered in person to the party entitled to receive such notice, (ii) two (2) days after being sent by registered or certified mail, postage prepaid to the address indicated in this Agreement, or (iii) one (1) day after being sent via overnight mail through a reputable overnight delivery company.

12. CHOICE OF LAW, WAIVER OF JURY TRIAL: The parties agree that this Agreement is accepted and entered into at the home office of Seller. This Agreement shall be construed and enforced under the laws of the State of Missouri, without giving effect to the choice of laws provisions thereof. The parties hereby each waive trial by jury in any action, proceeding or counterclaim brought by either party against the other on any matter arising out of this Agreement or the relationship of Seller and Buyer. The remedies expressly provided for in these terms and conditions will be in addition to any other remedies that Seller may have under the Uniform Commercial Code, other applicable law or in equity.

13. ATTORNEYS' FEES: Buyer agrees to pay Seller all costs and expenses, including reasonable attorneys' fees, incurred by Seller in enforcing the terms of this Agreement.

14. MISCELLANEOUS: This Agreement may not be changed, altered or amended in any way except in writing signed by an authorized representative of Seller and Buyer. Any provision of this Agreement that imposes or contemplates continuing obligations on a party will survive the expiration or termination of this Agreement or final payment by Buyer. For the avoidance of doubt, the warranty, limitation of liability, attorneys' fees and miscellaneous provisions shall survive expiration or termination of this Agreement. Buyer acknowledges and agrees that Buyer has had an adequate opportunity to review this Agreement, and this Agreement shall not be construed against or in favor of Buyer or Seller. The captions in this Agreement are for convenience of reference only, and shall not define or limit any of the terms. No waiver by either party of a breach or default hereunder will be deemed a waiver by such party of a subsequent breach or default of a like or similar nature. No waiver of any of any of the terms and conditions will be effective against Seller unless it is in a writing signed by an authorized representative of Seller. No course of dealing or performance, usage of trade or failure to enforce any term or condition will be used to modify this Agreement. If any of these terms or conditions, or any part thereof, is unenforceable, such term or condition will be limited only to the extent necessary to make it enforceable, and all other terms and conditions will remain in full force and effect. Buyer may not assign this Agreement without the prior written consent of Seller. The rights and interests of Seller may be assigned, either in whole or in part, without notice to or consent of Buyer. Except as otherwise specifically provided herein, these terms and conditions are for the exclusive benefit of Seller and Buyer and no other person will have rights hereunder. Signatures transmitted via facsimile or electronically transmitted signatures (e.g., "pdf signatures attached to an e-mail") shall be deemed originals and shall bind such party to this Agreement. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which shall constitute one and the same Agreement.
